The house Costanatura114 is located in one of the most beautiful places of the naturist holiday park Costa Natura on the Costa del Sol, in Estepona. You enjoy a spectacular sea view from the roof terrace. This terrace offers 100% privacy and overlooks everything on the clear blue sea. The lower terrace also overlooks the sea. In the winter it is above sunbathing, 100% privacy and wind-free. For early risers it is blissful to see the sun rise out of the sea from your bed ... because the terrace is right next to your bedroom. At night it is wonderful to sleep with the soft roaring of the sea that you

can hear from your bedroom with an open door. A relaxing experience that we recommend and warmly recommend but cannot describe here. The bedroom has a double terrace door. You can leave one half of the door open while the other has mosquito nets. Wonderfully airy in the hot summer!

The house has a modern interior and is fully equipped. Double sinks, spacious bathroom, kitchen with all conveniences and dishwasher. Cozy central living space with satellite television. The house is in a quiet part of the park so you do not suffer from the otherwise very nice music evenings and events at the bar, while you are only a short walk away The traffic is inaudible far distance. ... while Costa Natura is easily accessible at the traffic network. It cannot be more optimized. Moreover, apartment 114 is a very short walk
